Welcome!

Coming Soon: Friendship Sunday
Join us on Sunday, 30th January 2011 at 10am as we celebrate Friendship Sunday!
Invite your friends and family. All are welcome.

A Word from the Pastor ... John Adegboye

Hope is the fuel for Faith. And without faith the sky is the limit but Heaven is the limit for the man of faith. Keep rejoicing if you have this hope in Jesus.

Understanding Sin

Stop for a minute and think about how much the Word of God is taught around the world every week. Think of how many people hear the teachings of the Bible. Now, what percentage go away and do it? For some, the teachings in the Bible are just suggestions or guidelines. Jesus went to the Cross to fulfill what God had for Him and us. Many prophets gave their lives to pass on God's Word. Why so great a price? Because only God has the words of everlasting life and truth. Outside of God's way of doing things is everlasting death. God warns us that 'because of these things (sin) God's wrath comes upon the sons of disobedience, therefore [Christians] do not be partakers with them.' (Ephesians 5:1-7)

Don't be deceived into thinking that sin doesn't matter in your life or in the lives of those around you. It does. Come to our Sunday Bible teachings and receive encouragement from the Word of God to call out to Him to help you when you next face an opportunity to sin. God will help us to be His royal priesthood and a holy nation for His glory (1 Peter 2:9).

He who has an ear, let him hear what the Spirit is saying.

CONGRATULATE THEM FOR CHOICE SAYING TO YOU: "I AM YOUR CHOICE SAYING TO YOU: "I AM YOUR CHOICE TO SAY, HAVE WE WORKED HARD AT OUR CHOICE JOB" OR "HEAVENLY ONE? God will help us to follow Him.

Character and Spiritual Gifts

We are passionate about Spiritual Gifts - we cannot survive without them. At the same time, the days will come when we are in Heaven and Spiritual Gifts will have faded away. As they are peeled back from you and me, all that will be left is the real you and the real me. For this reason God is passionate and determined that Christ be formed in us, that it is no longer I who live, but Christ who lives in me. *This in fact is the purpose of Spiritual Gifts (Ephesians 4).*

Today, if we have tremendous power and gifts flowing through us, but are not people with the character of Jesus in us - we will be crushed. On the other hand, we can be unqualified, untrained people like the sheep herder Amos and God can call us and equip us. As He does, it is vital that we remember the role character plays in us fulfilling our destiny in God. We will fulfill our destiny in Jesus name.

Pray for our Nation

Many have been celebrating a week of 'firsts' - particularly that for the first time our nation is being led by a female Prime Minister. One thing that hasn't been said is that this is the first time our nation of Australia is being led by someone who is unmarried and lives with their romantic interest.

The world has a 'sweet' word for this - *de facto* and *partner*. God speaks about it differently. He calls such living arrangements *sin, sexual immorality & fornication*.

Pray for righteousness to be returned to the highest levels of this nation's leadership.

II Chronicles 7:14 - "if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

Church Leadership

If you really love someone, will you stand by silently as they do something self-destructive? Is love the same thing as tolerance? The world is looking for solutions and guidance. Christians are to have hope that doesn't disappoint. So what is happening in more than a few of the world's Christian churches?

The Church is to be a light but in many cases the light of the world shines in exposing sin and corruption in God's Church. What are the standards God calls His leaders to?

Judgment begins at the house of God. Let us be found in a place that is pleasing to Him.

Signs of Jesus' Return

Jesus said several times in Mark 13 that we were to watch for His return and take note of the signs that lead up to it. Are you up to date? How well do you know what is happening around us to set the stage for the revealing of the Antichrist and the return of Jesus?
